

## Brief About Extended Warranty (EW)

### SERVICE REQUIREMENT

In order to maintain the validity of extended warranty the two-wheeler must be serviced by Honda Exclusive Authorized Dealer/ Branch / Sub Dealer/Authorized Service Center in accordance with the manufacturer's recommendations.

**Note** The interval from the purchase date to the first service and the intervals between services. Thereafter, must not exceed the stipulated mileage or time by more than 250 Kms or 15 days (whichever is the sooner).

This time allowance is to assist the two-wheeler owner to ensure that the services are completed at the correct intervals, if any circumstances prevent the service being carried out at the correct time/ the Warranty Service Provider must be informed immediately by recorded delivery. The gap between two services should not exceed more than 4,000 Kms. or 4 months for all BS IV scooters and for limited motorcycles Like - CB Shine / Dream Yuga / Dream Neo / Twister / CD 110 Dream / Livo . 6 months or 6,000 Kms for CB Unicorn / CB Trigger / Hornet 160 / CBR 150 / CBR 250 / CBR 650/ Africa Twin & All BS VI vehicles (whichever is sooner). Failure to maintain and prove that the above service Schedule has been complied with will invalidate this extended warranty.

**Note:** Customers need to endorse the service details in the extended warranty invoice or keep the repair invoices as proof for carrying services as per manufacturer recommended scheduled. The owner shall effect at his cost, all modifications and repairs necessary to avoid a claim, if a claim is likely to occur in the absence of the above.

### TERMS AND CONDITIONS

- The company acts as agent for the Insurer. The supplying Authorized dealer acts as agent for the Company only for the purpose of providing or selling this Mechanical and Electrical Breakdown Insurance Policy. The supplying dealer is responsible for ensuring that the full premium is received by the Company on behalf of the Insurer. This Policy does not apply to Two-Wheelers used for hire and reward, or for Two-Wheelers used for any kind of timed competition or race.
- Two-Wheelers owned, temporarily or otherwise, by a business formed for the purpose of selling or servicing Two Wheelers are excluded, extended warranty liability, provided that the correct payment has been received, will be subject to the limits indicated on the Registration Form, the extended warranty will only become effective when the Registration Form and payment in full has been accepted by the Warranty Service Provider who reserve the right to decline any extended warranty.
- The extended warranty has no surrender value, no refund of cost is available, and it cannot be cancelled
- No liability will be accepted for any Mechanical and Electrical breakdown claim notified to the Warranty Service Provider more than 14 days after the relevant fault has become apparent. No repairs may be undertaken or commenced under the terms of extended warranty unless explicitly authorized by means of a claims authority number in respect of agreed liability. No liability will exist with regard to any claims not authorized in this way. All claims must be supported by the relevant documentation. The Warranty Service Provider reserves the right to examine the Two-Wheeler and subject it to expert assessment and to nominate a repairer. The result of the assessment will determine the insured liability subject to the claimable limits.
- Services must be completed at the correct time/s and mileage/s. The customer must retain all the service invoices and relevant receipts. Failure to service the Two Wheeler in accordance with the manufacturer's recommended service schedule will render the extended warranty invalid.
- The mileage quoted in no way guarantees the true distance covered by the Two-Wheeler, and is indicated only as a guide to when servicing is due. Failure to maintain the odometer, mileage recorder in working order or disconnecting it or tampering with it will invalidate this extended warranty.
- No liability will be accepted for damage caused by neglect, corrosion, Intrusion of foreign or deleterious matter, lack of servicing, overheating, freezing or abuse by the continued use of the Two-Wheeler after a fault has become evident or for consequential loss on the failure of parts not covered by extended warranty.
- No liability will be accepted for any failure due to wear and tear, components incorrectly fitted, or faulty or defective at the time of sale, or faulty manufacture /design and alterations/modifications from the manufacturer's specification.
- If it shall be established following the receipt of the claim that the conditions of extended warranty as laid down have not been fully complied with, then it is here by expressly agreed and declared that the Warranty Service Provider shall be released from all liability for that particular claim.
- If the customer and/or the Authorized dealer undertake a claim, knowing the claim to be false and or fraudulent as regards the value or the amount of work or cause of failure or otherwise, this extended warranty shall be deemed to be invalid and the right to prosecute is reserved. Failure to comply with these formalities and conditions may lead to a refusal to pay the Claim.
- The gap between two services should not exceed more than 4,000 Kms. or 4 months for all BS IV scooters and for limited motorcycles Like - CB Shine / Dream Yuga / Dream Neo / Twister / CD 110 Dream / Livo . 6 months or 6,000 Kms for CB Unicorn / CB Trigger / Hornet 160 / CBR 150 / CBR 250 / CBR 650/ Africa Twin & All BS VI vehicles (whichever is sooner)
- All Disputes/differences regarding claim settlement, arising for whatsoever reason shall be subject to jurisdiction of Delhi courts only.

•During the extended warranty period/ HMSI will not be liable to pay any expenses for any consumer court cases that may arise/ any such cases will be directly handled by Service Provider.
